

((Shake))

I just can't believe

Where my life was at

All that I know is that my heart was broken

And I don't ever wanna go back

Ain't no explanation

How I saw the light

He found me and set me free

And it brought me back to life

Blame it on the transformation

Changed down to the core

His love is real

And I can't sit still

Cause my name's not shamed no more, more, more

Great God Almighty, gonna change this

Great God Almighty, He gonna change me

You got too shake, shake, shake

Like you're changed, changed, changed

Brand new looks so good on you

So shake like you've been changed

Come on and shake, **shake**, shake like you changed

Shake, **shake**, shake like you changed

Maybe He came to you

When everything seemed fine

Or maybe your world was upside down

And hit you right between the eyes

No matter when it happened

At 7 or 95

Move your feet 'cause you are free

And you've never been more alive

You gotta, **shake, shake, shake**

Like you're changed, changed, changed

Brand new looks so good on you

So shake like you've been changed

Come on and shake, shake, shake

Like you're changed, changed, changed

Brand new looks so good on you

So shake like you've been changed

Come on and shake, **shake**, shake like you changed

Shake, **shake**, shake like you changed

Shake, shake, Shake, shake

Great God Almighty, done changed me
Great God Almighty, He done changed me
Great God Almighty, done changed me
Great God Almighty, He da
Great God Almighty, done changed me
Great God Almighty, He done changed me
Great God Almighty, done changed me
Great God Almighty, He da,
